- The total number of participants.
- Any rental deletions or changes
- Confirmation of all registered lessons separated by ski or snowboard with names.
- Additional meal vouchers if needed at $12 each (Submit tax-exempt form if eligible).
- Confirm all your participants have a digitally signed waiver prior to check-in.
- Have payment ready.

ANY CHANGES TO TICKET ORDERS MUST BE MADE BY THE GROUP LEADER NO LATER THAN 1 HOUR AFTER ARRIVAL. NO REFUNDS WILL BE GIVEN AFTER THIS TIME.

Staging Your Group

Skyview Lodge: Picnic lunches permitted. This brick lodge is located just beyond our rental building. Equipped with seating, storage cubbies, countertops, and electrical outlets, we welcome all guests and groups bringing in their own food to stage themselves from this lodge. If dinner is to be packed and brought to Caberfae this is the lodge to use.

Blackmer Lodge: Cafeteria food only in this 2-story building. This is where you will redeem your meal vouchers. No outside picnic lunches, coolers, or outside food is permitted in this lodge.

LIABILITY AND RELEASE SIGNATURES

Once you make a group reservation you will be sent a waiver release link. Please forward this link to each participant in your group. Every participant must have a digitally signed liability waiver to receive a ticket and/or a rental. A parent or guardian signatures required for minors. No tickets or rental will be issued without a digitally signed waiver.

Rental Equipment

In order to qualify for the complimentary rental you must use our Express Rental Reservation form. Forms must be received **72-hours prior to arrival**. Rental submissions after this deadline will result in full retail rates. Forms are created using an Excel document that can be downloaded from any group page on our website, or shared through our Google Doc by email request only. DO NOT create your own!

All ski or snowboard equipment come with a helmet. Participants needing a helmet only must be on this form. Once your rental form is submitted any rental cancellations will be charged a $5 cancellation fee. Rental submissions after the 72-hour deadline will result in full retail rental rates.

- For ski rental, review the Skier Type Chart to determine which category of skier matches your participant's style.
- For snowboard rental if no foot forward is assigned we will set as Left foot forward.
- Only one piece of equipment can be rented. No switching equipment is permitted without additional fees.
- We do not require participants to wear helmets but we do encourage them. They are complimentary with rental.
